

## St. Rose of Lima

973-481-5582

540 Orange St., Newark, New Jersey 07103

This is a private Catholic school founded by New Community founder Monsignor William J. Linder's parish at St. Rose of Lima Church.

- This school serves 300 students and another 200 students are enrolled at St. Rocco's School.
- Students are taught by a multi-cultural faculty
- St. Rose maintains the highest standards of quality education
- Parents are encouraged to participate in the life of the institution.
- The strong curriculum is enhanced by partnerships with Essex County Community College, Bloomfield College, Fairleigh Dickinson, University, Seton Hall University, Rutgers Law School, UMDNJ, Newark College of Arts & Science and the New Jersey Institute of Technology.
- St. Rose is fully accredited by the Middle States Association of Colleges and Schools.

## William J. Linder Scholarship Fund

NCC founder Monsignor William J. Linder, who is pastor of the parish, has established a number of vehicles to supplement tuition money. The Monsignor William J. Linder Scholarship Fund defrays the cost of tuition by at least fifty percent for more than 75 students at St. Rose of Lima School.

## After School Programs

973-242-7934

56-68 Hayes St., Newark, NJ 07103

NCC also runs a successful after-school program at Newton Street public elementary school, and an after-school program affiliated with the New Horizons Community Charter School. The two after-school programs serve more than 200 children.

## Youth Initiatives

973-242-7934

56-68 Hayes St., Newark, NJ 07103

**Teen Lean and Earn** ~ A summer program for high school students to obtain job experience, academic enrichment and go on field trips to colleges & universities

**Newark Youth Leadership Program** ~ A program for HS juniors and seniors that combines learning with employment experience.

**Teens Achieving Greatness** ~ T.A.G. provides students the opportunity to experience community service.

**Summer Camp** ~ NCC summer camp offers an array of educational and enrichment activities for youth ages 5-13.

**Young Men's Leadership Program** ~ YMLP promotes responsibility, respect and resourcefulness for young males of high school age.

**Just for Kids** ~ This program provides children ages 4-12 with educational and recreational activities.

**Positive Zone** ~ This program is available twice a week during after school hours. Teenagers are supervised in a healthy, educational atmosphere.

## Supplemental Education Services

973-848-0910

85 Irvine Turner Blvd, Newark, NJ 07103

This program provides academic instruction taught by certified teachers. The objective of NCC's SES Program is to engage, motivate and provide children with hands-on, meaningful learning experiences that will maximize their potential and build students confidence and proficiency in literacy and mathematics. The program is 120 minutes of activities during after-school hours 4 days per week.

## New Community Education & Youth Services

## Education & Youth Services

With more than 1,300 students attending its charter schools and the parochial schools affiliated with its network, New Community's education system now serves a student population that is comparable to smaller school systems in New Jersey.

Hundreds of Newark youngsters are served by NCC afterschool and summer programs.

## New Community Schools

With 5 schools, after-school programs and youth services, New Community's education system is a leading model for community development organizations engaged in services for children and teens.

### Early Childhood Development Community Hills Early Learning Center

973-621-0852

85 Irvine Turner Blvd, Newark, New Jersey 07103

### Harmony House Early Learning Center

973-242-3115

278 Orange Ave., Newark, New Jersey 07103

These centers provides care and early education for 6 week old children - 1 year, and preschoolers 2 to 4 years old. Many qualify for free care and schooling under the NJ Abbott mandate.

These Early Learning Center provides

- Full-time, year round services
- Nurturing care & quality educational experiences
- Nutrition, health and family support services
- Classrooms equipped with a complete array of edu-

cational toys, games and other learning tools.

- Children at the Centers are encouraged to investigate, be inquisitive and seek their own solutions
- A flexible curriculum geared to children's interests.

The Early Learning Center is also involved in several partnerships that strengthen its mission, including

- Foster Grandparents Program places 8 grandmothers in the classroom to provide special loving care.
- Even Start Family Literacy Program, funded by the NJ Department of Education, assures children and their parents a better academic future by introducing an integrated family literacy component.

## Public Charter Schools

NCC charter schools are among more than 50 operated within the traditional public education system by non-governmental entities granted charters by NJ.

### Lady Liberty Academy

973-623-9005

23 Pennsylvania Ave., Newark, New Jersey 07114

This school is home to 450 students in Kindergarten through 8th grades, studying a curriculum that emphasizes math, science and technology.

- Lady Liberty offers students an exciting, discoverybased learning experience that equips young people with the early skills and exposure they need to thrive in an information and technology based economy.
- Institutions represented on the Lady Liberty Academy Board include the University of Medicine and Dentistry of New Jersey, NJ Institute of Technology (NJIT) and Farleigh Dickinson University.

### New Horizons Community Charter School

973-848-0400

XXXX XXXX XXXX XXX XXXX, XXXXXXXXXXXXXXXXXXXXXXXX XXXX. XXXXXXX XXXXXXXXXXXXXXX XXXX XXXX.

45 Hayes St., Newark, NJ 07103

This public charter school is responsible for the education of 500 children in Kindergarten through 5th grade, and is housed in a \$6.3 million facility developed by New Community. The school includes 19 classrooms, a computer lab, library, health office and dining hall.

- New Horizons is a refreshing and effective alternative to traditional public education in Newark.
- Students are taught, using a structured and compelling core curriculum that has produced major gains in student achievement and testing.
- New Horizons features smaller class sizes than the Newark public school system, longer school days and a longer school year.
- Discipline is a hallmark of the New Horizons' educational environment and all students wear uniforms and adhere to a code of conduct that ensures a productive learning environment while rewarding students for achievement and positive behavior.

"Educated at New Community, student became a first officer at Continental Airlines"
