NEW COMMUNITY NEW START PROGRAM

Newark New Start is a boarder baby prevention program that provides assistance to at risk mothers and babies in need, with the hopes of eliminating the number of infants who are left in hospital pediatric wards by mothers who are unwilling or unable to care for their children.

New Start services mothers in Essex County who have recently given birth, or are pregnant can self-refer or sent by their primary care physicians. Once accepted into the program, the mother will:

- Be assigned to an Outreach worker who will assess the mother's current situation to determine specific needs,
- Work with the Outreach Worker to develop a plan, with steps that will help her to secure the things she needs to care for her family,
- Receive referrals for various social services, including employment, furniture and clothing, and counseling, and
- Participate in parenting classes, interesting workshops, and special events.
- Mothers participate for up to six months

Some of the services include:

- Assistance with securing infant supplies
- Referrals for substance abuse treatment
- Parenting Classes and Workshops
- Life Skills Training
- Assistance with Pediatric Care
- Assistance in applying for TANF, WIC and other Social Services
- Referrals to health care provider
